Bishop Michael McKenna and the Catholic Education Office set the Tuition Fees, Capital Works Levy and CEO Technology Levy. The CEO generously supplements these fees and we are most grateful for their contribution. The other fees are set by the school to offset the cost of resources for each child. This includes textbooks, other required classroom resources and the maintenance of our grounds and facilities. The school invoices fees out in terms 1, 2 and 3. The school also provides and recommends a direct debit system, or BPAY option for the payment of school fees. If at any stage you are experiencing difficulty in paying your fees, and would like to rearrange them so they fit more easily into your family budget, Sr Margaret is only too happy to discuss creative solutions.
